

John E. Clerici Passes

John E. Clerici was better known affectionately as "Johnny Times" to the members of Pike-Wayne Trout Unlimited Chapter because of his work at the New York Times. Johnny, a Navy veteran, was born in Brooklyn on December 27, 1942. In 2003 he became a Fawn Lake Forest (Hawley) resident.

He died at his home on Sunday, November 20, 2016.

He loved his fishing, his cars and Florida trips. He always had a smile and was a kind and friendly guy. Even though we knew he had serious health issues he always seemed to demonstrate a joy and determination for life. He infected us all with his buoyancy and optimism.

He truly will be missed by all his friends of the Pike-Wayne Trout Unlimited Club and he will be remembered.
